

Good Earth Plants and GreenScaped Buildings Internship Program

Where Green Matters!

Looking for an Internship?

Who we are:

Good Earth Plant Company is San Diego's largest locally owned and operated provider of interior and exterior landscape design, installations and maintenance services.

Under our GreenScaped Buildings banner, we apply everything we have learned about growing plants in containers combined with a new approach to introducing plants and nature into our urban environment by making use of non-traditional gardening space: **green roofs, living walls, tower gardens, and more** that we have yet to discover.

**Good Earth Plants &
GreenScaped Buildings**

7922 Armour St.
San Diego, CA 92111
